1870 RATEPAYERS - COX SCHOOL MUNICIPALITYFOREWORD

In any community the mix of generations poses a problem in our understanding of the population at any point in time. In the case of New Carlisle, or Cox School Municipality, the following alphabetical listing of rate payers provides an historic glimpse of that community for the given year of 1870.

It is particularly interesting to note the number of family names that had prevailed since the arrival and settlement of the Loyalists and veteran soldiers in 1784. Such terms as "Heirs of" and "Wid. of" provide a link to the first generation of settlers. Other terms such as "Capt." remind us that a maritime vocation was well established.

The entry for "Gaspe Compy" refers to the GASPÉ FISHING AND COAL MINING COMPANY recalled by the GASPÉ OF YESTERDAY article published by SPEC on October 17, 1989 (Part I) and October 24, 1989 (Part II) That company held 31,411 acres of land in Cox Township alone.

Reference to the other major company listed, that of Le Boutillier Bros., can be found in the GASPÉ OF YESTERDAY article, WILLIAM LeB. FAUVEL, 1850-1897 (No.256).

The reader will be interested to note the number of family names that have disappeared from the New Carlisle scene in the 123 years since this list was compiled.

Your comments or observations on family names listed below will, as always, be welcomed by GASPÉ OF YESTERDAY.
