FIANCÉES, WIVES AND WIDOWS

FOREWORD

A document of interest and much significance for Gaspésians of the County of Gaspé, A LIST OF DEEDS REGISTERED AT PERCÉ FROM 1823 TO 1902, has been prepared by the Archives of Québec, Rimouski Branch.

This LIST of some 256 pages gives the titles of hundreds of deeds that are a primary source of family history, land transactions and business dealings for more than seven decades from the early 19th century to the early 20th. Many Gaspesian families will find there references to their ancestors while the general reader will gain understanding of the social and commercial life that shaped the earlier years of the County of Gaspé.

Of the many ways in which the information provided by this LIST might be used, GASPE OF YESTERDAY has chosen, subjectively, to concentrate in this issue on the women of Gaspé - FINANCIÉES, WIVES AND WIDOWS - reflected in these deeds. Only those women whose maiden names appear in the deeds are listed below and linked to the name of a fiancé, husband or late husband. It is unfortunate that in many cases the maiden name of the wife is not given in the deed - the reference being to "wife/uxor" of the given man.

The women of Gaspé County evidently had an important role in the legal and notarial deeds of their time. While their precise role will be revealed only by reference to the actual deeds, the fact that they were involved in Marriage Contracts, Donations, Deeds of Sale, Power of Attorney, Wills and other legal documents testify to their influence and interests.

The following listing is chronological.

The spelling of family and given names is that given by the Archives document, in general, and is subject to discretion.
