## **Emigration**

It's likely that Hannah emigrated to Canada with her sisters, Bridget, Elizabeth, Eleanor and Jane, but no records have been found. Bridget had married Thomas Suddard in Cumberland and had already had 5 children with the last one born in 1820 in Cumberland. The next child, Henry, was born in 1822 in Gaspé, Quebec. We can assume, then, that the family moved to Canada at some point between 1820 and 1822.
